

Using the Library's Databases

- Go to library.deltacollege.edu
- Type your keyword(s) in the “Find E-content” box in order to search numerous databases at once.

The screenshot shows the Delta College Library website interface. On the left is a vertical navigation menu with items like 'Catalog (GoCat!)', 'Citation Guides', 'Copyright Compliance', 'Databases', 'Electronic Reserves', 'Faculty Services', 'Friends of the Library', 'Hours of Operation', 'Information Competency', 'Instructional Programs', 'Instructional Resources', 'LibAnswers', 'LibGuides', 'Library Courses', 'Library Handbook', 'List of Services', 'PC Reservations', and 'Plagiarism Prevention'. The main content area features a header with 'SJ Delta College Library Main Page', 'Friends of the Library Newsletter...', and 'Chat Schedule: Mon-Thur: Noon-7:30pm' with a 'Librarian not online...' button. Below the header are three search boxes: 'Find Books & More via GoCat!', 'Find Articles, E-books, Video & More via GoElectronic!', and 'LibGuides'. The 'Find E-content...' box is highlighted with a green arrow pointing down. Below the search boxes are sections for 'Find Reserve Items (inc. Textbooks) by Instructor Last Name', 'Explore individual Databases & E-resources', and 'My Library Account (Library PIN?)'. At the bottom, there is a 'We're here to help' section with contact information for Circulation/Reserve/Audio-Visual Desk and Reference/Information Desk, a 'Library Handbook' link, and a 'LibAnswers' link.

- Or search “Databases” to search a specific group of databases instead.

The screenshot shows the same Delta College Library website interface as above. A green arrow points to the 'Databases' link in the left-hand navigation menu. The rest of the page content is identical to the previous screenshot.
